

BIOGRAPHY

This DJ's journey is the true definition of a career just happening "by chance". From performing as costumed characters at children's birthday parties to now spinning tunes for lovely couples every weekend in the DFW, DJ Hutch is a well rounded entertainer.

Garrick Hutch is a high energy, interactive DJ/MC that loves to ensure everyone is having an amazing time while celebrating your special day. His overall goal is to get people excited about being at that particular location at that particular time. On any given night we're sure there are other places your guests could have chosen to be. It is DJ Hutch's intention to make sure they leave knowing nowhere else could have been as much fun as what they just experienced!
